Automotive/Agricultural/Industrial Parts Distributors

Valid through March 31, 2014

**Your Source for  
Innovative Cutting Tools**

## LittleBrute Magnetic Drill Press

**Sale Price  
\$1149.50**

### LITTLEBRUTE RB30

1-3/8" cutter capacity / 7-3/4" in height /  
22.4lbs / 3300lb magnetic strength /  
Lightweight and easy-to-maneuver

## Magnetic Drill Press

### AC50

Weights 33lbs. / 2-1/8"  
cutter capacity / 1100W  
Motor, 2-Speed /  
3370lb. Magnetic strength,  
Optional drill chuck  
converts the AC50 for  
use with twist drills

**Sale Price  
\$1,193.00**

**FREE** QX1234 Drill Chuck Adaptor with every

AC50

## 29pc. Heavy Duty Drill Set

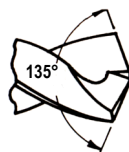

With Split Point, unique web geometry and  
NOMO® surface treatment, Brute **XL5** drills are  
the ultimate workhorse for drilling tough alloys  
including stainless steels.

Brute **XL28** mechanics length drills are  
shorter, rigid twist drills with flattened  
shanks for fast chucking in keyless  
chuck power tools.

**\$99.95**

List Contents  
TWISTER-XL28 1/16" - 1/2" x 64ths  
TWISTER-XL5 1/16" - 1/2" x 64ths

## Roto Brute - Annular Cutters

**CT150** -  
Carbide Tip  
Annular  
Cutters 1-3/8"  
Depth

**CT200** -  
Carbide Tip  
Annular  
Cutters 2"

- \*Maximize cutting performance of any portable magnetic drill press.
- \*Their superior "Triple Edge" cutting action outperforms ordinary high speed steel annular cutters and twist drills 6:1.
- \*Cut clean, bur free holes.
- \*Precision pilot pins eject the center as a plug of steel.
- \*Features Weldon style flats for fast loading and better rigidity.

72302 Hwy 105 • Auburn, NE 68305 • (402)-868-3475
